Classic Staunton

Chess Pieces A marvel of elegance, balance, beauty and simplicity... This is THE classic set that has established itself as a global standard, in use since the mid-19th century. Examine the King's crown and the Queen's tiara, the details of the bishops and rooks, the knights modelled on the horse heads of the Parthenon, and take a closer look at the humble pawn. Admire the simplicity, but also the elegance of the shapes of each piece. Perfectly weighted. Designed to be handled, touched, admired... To be gazed upon with unwavering and total concentration.
