

Produit Staunton Master Chess Pieces
Référence 10742A

Staunton

Master Chess Pieces For years we searched auction houses around the world for a chess set with large pieces suitable for tournaments or chess academies. To no avail. Finally, we asked our master woodcarver to craft pieces that were exactly in keeping with those used in official 19th-century tournaments. This is, of course, the Staunton set, characterised by its majestic King and Queen and their spirited

knights.Origin: Asian

Period: New

Materials: Resin
