

Produit Puro alpaca wool throw in Fjord Blue
Référence 18643

Puro is a plain-coloured throw of exceptional softness, with a timeless and refined style. Baby alpaca fibre is considered one of the rarest and most precious in the world. It comes from the first shearing of the young animal, known as a cria. Its hollow fibres provide gentle insulation, making it particularly light and warm. Origin: Switzerland
Condition: New
Materials: Wool

Dimensions: H 200 x 130 cm
