

Produit Puro cushion in alpaca wool, Fjord Blue
Référence 18644

Puro is a plain cushion of exceptional softness, with a timeless and refined style. Baby alpaca fibre is considered one of the rarest and most precious in the world. It comes from the first shearing of the young animal, known as a cria. Its hollow fibres provide soft insulation, making it particularly light and warm. Origin: Switzerland
Condition: New
Materials: Wool

Dimensions: H 50 x 50 cm
