Référence 20970

Venetian Tic-Tac-Toe set made of wood and glass marbles. Individually crafted black and white glass marbles, presented on a solid wooden board.

Pour yourself a glass of Burgundy, light a pipe and set out the game board. You don't have a particularly fine table when you're on safari. A Mombasa folding chair and a country-style chest of drawers will do just fine; after all, you're camping in the Serengeti. The lustre of the cherry wood, delicately varnished, complements the patinated bronze. Black and white blown-glass marbles complete the picture. Quite apart from their beauty, it's rewarding to take things with you. Origin: Asian
