

Produit Aluminium model of the Concorde aeroplane
 Référence 20971

Aluminium
 Concorde model. Handcrafted, high-end model.
 The Concorde holds a number of speed and distance records. A collector's item.
 Supplied fully assembled with its display

stand. One of the most iconic and beautiful aeroplanes ever designed. A flying icon and a marvel of technology. The only supersonic passenger aircraft ever built. London to New York in three hours. Its sleek and elegant lines heralded a new era. In keeping with its prestige and elegance, only the finest wines and dishes were served on board. Our desk model has been recreated based on the original scale models displayed in British Airways and Air France travel agencies. Enjoy this memento of the history of luxury travel. Origin: Asian
