

Produit Magnifying glass on a tripod
Référence 22925

Tripod

magnifying glass This replica of a Victorian magnifying glass mounted on a tripod has been updated to suit modern tastes. Whilst the construction of the tripod remains faithful to the original, the wood used for the legs is different as it is completely free from varnish or paint. The result is a raw, natural look that blends beautifully into today's elegant interiors. Origin: Asian

Period: New

Materials: Metal

Dimensions: H 34 x 17 x 17 cm
