Triple watercolour "Parc des Ecrins" signed C. STERN 96 (Christophe 1959)
 "Beautiful clouds were rising to meet the peaks, slowly but surely preparing for the evening's concert. The finches and tree pipits were singing, as was the cuckoo, though I didn't actually see him. A gentle breeze was blowing over the Col du Poussterle; the air was mild, and my children were playing and laughing in the sunshine whilst Adeline read a book.
