

Produit "Blue Butterflies" frame
Référence 33841

A black frame containing a collection of blue paper butterflies. Inspired by the migratory stopovers of monarch butterflies, this 'Swarm of Paper Butterflies' exudes a sense of abundance and movement, with a touch of lightness and poetry. A stunning scene, enhanced by a 19th-century-style frame with a golden-brown ebony patina. Origin: Asian
Period: New
Materials: Paper

Dimensions: H 21 x 22 x 4 cm
