

Produit Béringer's sundial
Référence 34278

Béringer's

sundial. This reproduction is based on an 18th-century piece (between 1772 and 1821), probably made in Nuremberg and attributed to David Béringer.

The instrument is polyhedral in shape and decorated on each of its faces with wall paper motifs. It features five hour dials, with time scales corresponding to its orientation. Origin: Spain

Period: Modern

Materials: Brass

Dimensions: H 19 x 16 x 14 cm
