

Produit Witch's Mirror with silver-coloured metal frame
 Référence 37912

Witch's mirror with a metal border, in the 18th-century Flemish tradition. These convex mirrors were known as 'witch's mirrors' because they were believed to possess magical powers. When placed opposite a window, they help to diffuse light inside the home. Origin: Asian

Period: New

Materials: Glass

Dimensions: Height 15 x diameter 120 cm
