

Produit Engraving: 'Third view of the village of Moutiers-Travers'
 Référence 4584A

Engraving "Third view of the village of Moutiers-Travers" by CHATELET (Claude Louis, 1753-1794)

"Third view of the village of Moutiers-Travers, showing the house of J.J. Rousseau and the waterfall of the Torrent in the vicinity."

In the centre of the village stands a fountain around which the villagers are gathered, one of whom is on horseback. Tall trees stand in the square above the labourers and monks.

Taken from *Topographical, Picturesque, Physical, Historical, Moral, Political and Literary Views of Switzerland*, 1780-1788, 350 illustrations
