Satirical engraving "The Railways" by Honoré

DAUMIER (1808-1879)

- Ah! Well, for example, the train that's just coming along can count itself lucky to have narrowly avoided a nasty accident!... The whole lot would have gone haywire if I hadn't kept a close eye on things....

- What on earth!... What on earth!... -

By Jove... a pin whose head was resting right on the rail.... Thank goodness I spotted it in time!.....
