

Produit Leather balm
 Référence 8027A

"Secrets d'Atelier"
 Leather Balm 200 ml

A paste made from beeswax and carnauba wax with a non-toxic solvent based on fatty

acid esters. Drying time:
 12 to 24 hours depending on the surface

. Coverage:
 Approximately 5 m² per 200 ml

BENEFITS

Natural, non-toxic raw materials. Allows the surface to breathe. Provides effective protection and waterproofing after three applications. Authentic and natural finish.

Recommendations

: Using a soft cloth, apply in thin layers, allowing each layer to dry thoroughly before applying the next; polish with a woollen cloth once the final layer is completely dry.

Areas of

use: Furniture, bags, jackets, shoes, upholstery, etc. Any smooth leather that is dry or in need of waterproofing. Not suitable for suede, nubuck or velour leather.

Tips and tricks

: Dried-out leather will generally regain its original colour when nourished#chr(59)# Can be cold-dyed with natural pigments for minor spot repairs (scratches). To touch up a specific area of leather, take a small amount of Secrets d'Atelier® Balm and mix it with the pigments in the lid#chr(59)# treat the scratches and keep the rest of the colourless balm to treat the leather as a whole. Allow to dry thoroughly after applying the coloured balm to set the colour. Then polish thoroughly. If polishing is carried out too quickly, the colour will fade.
